

# Custom Software & Mobile App Development Expert

GET TOTAL CUSTOMIZED SOLUTION FOR YOUR BUSINESS

# About Rushkar

We are an India based Software Outsourcing Company that focuses on highly qualitative, timely delivered and cost-effective offshore software development.

## OUR DEVELOPMENT PROCESS

We at Rushkar believe that building both functional and awesome-looking digital products is a matter of close collaboration between various, unique talents.

Our team's diverse expertise guide the innovative choices that solve your business challenges.

We expertise in commercial projects on varying web development, mobile app development platforms. These include ASP.NET, Android, Java & iOS.

Within our 10+years journey we had a pleasure to provide high-quality design, development, quality assurance & software testing services for 200+ clients from a large variety of market segments.

Our diverse experience in web development, mobile app development & testing techniques gives us a unique glimpse into different challenges.

Thanks to our deep understanding of business goals, transparent processes, and agile approach to each project, we deliver excellent results to all clients with strong demand for digital products.

“ The value of idea  
lies in the using of it ”

Taking note from Thomas Edison
